No. 38. Read the following letter from H. WELLESLEY, Esq., Officiating Secretary to the Chief Commissioner of Mysore, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, Fort St. George, Madras, dated Bangalore, 13th January 1874, General No. 5,668, Revenue No. 47.

I AM directed to acknowledge the receipt of your No. 1,379, of the 9th ultimo, on the subject of settling the question of disputed boundary between Coimbatore and Mysore.

2. I am, in reply, desired to inform you that, as a result of some correspondence which, at the commencement of the year, had passed between the Collector of Coimbatore and this Office, the Deputy-Commissioner of Mysore met Mr. Wedderburn in the disputed tract in July last, but could not arrive at any satisfactory settlement. From the report that has since been submitted to this Office by the Deputy-Commissioner and by the Jaghiredar of Yelandur (whose interests are directly concerned in the question), it appeared that, for want of an accurate chart of the tract in question, some confusion had been created which averted a mutual understanding. It was for that reason that the preparation of a chart was recommended. But, as there is some difficulty in having one prepared, and as early settlement of the question is desirable, I am directed to propose, for the approval of the Madras Government, that the question of disputed boundary may be settled by the appointment of two arbitrators and an umpire.

3. I am further to suggest that the Honourable Colonel Anderson, the Survey and Settlement Commissioner for Mysore, may be made umpire, and that the Deputy-Commissioner of Mysore and the Collector of Coimbatore should meet in the disputed tract and submit a report to Colonel Anderson, whose decision might be subject to the ratification of the Governments of India and Madras.

4. If this course commends itself to His Excellency in Council, the arbitrators may be directed to meet in the disputed tract at an early and mutually convenient opportunity.

No. 39. ORDER THEREON, 1st April 1874, No. 423.

Miscellaneous.

THE Board of Revenue will accordingly instruct the Collector of Coimbatore to meet the Deputy-Commissioner of Mysore, at the earliest convenient opportunity, for the purpose of preparing a report on the subject of the disputed boundary. The Chief Commissioner of Mysore will be informed that this Government accept his proposals.

In acknowledging your letter of 13th Jany inst No 47, I am directed to state that the suggested arrangements appear to H. Govt to be very desirable — with the exception of that portion of Para 3 in which it is stated that in the event of Colonel Anderson, the umpire, failing to intervene owing to any want of unanimity on the part of the two arbitrators — "his decision "shall be subject to the ratification "of the Govts of India and Madras".

2 — H. Govt does not advantage in taking up the time of such functionaries as a Collector & a Dy Commissioner as arbitrators & of the Head of the Mysore Survey & Settlt Dept as Umpire, if their decision is not to be necessarily binding on the parties engaged in the litigation — In all other disputes of this nature it is by consent of the parties before referees & umpire, a mutual agreement to abide by the decision is an invariable preliminary, and it will be also in the present case.
