Proceedings of the Madras Government, Revenue Department, 10th April 1874.

No. 44. Read the following Proceedings of the Board of Revenue, dated 28th March 1874, No. 717:—

Read the following letter from the Hon. V. RAMIENGAR, C. S. I., Superintendent of Stamps, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madras, 23rd March 1874, No. 416:—

In acknowledging the receipt of the Proceedings of Government, dated 20th ultimo, No. 231, communicated to me with your docket of the 24th idem, No. 1,266, I have the honour to refer you to my letter of the 20th May 1871, No. 731, recorded in the Board's Proceedings of the 22nd June following, from which it will be seen that I have no stock of the lower values of stamps either in this office or in the districts, and that a quantity equal to at least two years' consumption is therefore required of these values before this office can begin to issue them for sale. My indent was framed on this principle, and, in the absence of any balance on hand of the stamps in use at present, it will not be possible to accumulate a sufficient stock of the new stamps.

2. I take this opportunity of requesting that the accompanying indent may be substituted for that already submitted. It contains three* values not included in the former requisition. As the stock of these values in the District Treasuries is diminishing I deem it advisable to lay in a stock of them.

* 1½ Rupee, 3 Rupees, and 16 Rupees.

ENCLOSURE No. 1.—Indent in triplicate.

SUBMITTED to Government with reference to G. O., No. 231, dated 20th February 1874.

2. The Board concur with the Superintendent of Stamps, and request that the accompanying indent may be substituted for that submitted with Board's Proceedings of the 22nd June 1871, No. 2,506.
