*Proceedings of the Madras Government, Revenue Department,
10th April 1874.*

No. 56. Read the following letter from Captain CAMPBELL WALKER, Officiating Inspector of Forests, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Ootacamund, 26th March 1874, No. 3,026:—

In accordance with the instructions conveyed in G. O., No. 310, dated 4th instant, I have the honour to report that, so far as I can learn, no Office-furniture was ever supplied to this Office.

2. That belonging to the Central Office at Madras has been transferred to the Board of Revenue, and, under existing arrangements, I doubt if I have any control over it. In any case, it would be required for the performance of Office-work and storing of official records there.

3. The same applies to the library. There are a considerable number of books and reports here (a list of which is enclosed), but none of those which are required for reference with regard to the administration of the department. The old library is in the Board's Office under charge of the Forest Assistant, but I doubt if it contains any of the books applied for, which are, of course, available from the Board.

4. I submit an estimate for the furniture framed on the scale sanctioned for other Public Offices on the Hills. The exact prices of the books, I regret to say, I cannot learn. They are, for the most part, I believe, published and supplied to other Offices at Government expense. The cost of manifold writer would be about Rs. 15.

No. 57. ORDER THEREON, 10th April 1874, No. 432.

Miscellaneous.

UNDER the circumstances stated, the estimate for the articles of furniture, amounting to Rs. 237, is sanctioned.

2. The Officiating Inspector will purchase the books specified in the list submitted with his letter, dated 19th February 1874, No. 2,057, and submit a bill for the actual expenditure for sanction.
