PROCEEDINGS OF THE BOARD OF REVENUE, dated 13th August 1874.

Read the following Proceedings of the Madras Government, dated 16th July 1874,
No. 1,297, Judicial Department:—

ABSTRACT.—*Designs of Offices for Collectors, etc.*—The design of building proposed for an "Office" for the Senior Assistant Collector of the District of Ganjam stationed at Berhampore not approved, and orders issued for Standard Plans being prepared in keeping with the designs recently introduced of Taluq Cutcherries and District Munsifs' Courts.

THE Board observe that a plan was sanctioned for Offices of Head Assistant Collectors and Deputy Collectors in G. O., dated 19th November 1870, No. 1,807, and one for Offices of Sub-Collectors in G. O., dated 11th July 1872, No. 1,666. A plan for Collectors' Cutcherries has been submitted to the Board by the Government Architect, and certain Collectors have been asked to report on it in Board's Proceedings, dated 28th March 1874, No. 712. The Board understand Government to mean that all these buildings are to be in the same style as that approved for Taluq Cutcherries.
