Proceedings of the Madras Government, Revenue Department,
21st April 1874.

No. 131. Read the following Proceedings of the Board of Revenue, dated 30th March 1874, No. 731:—

Read the following letter from C. G. MASTER, Esq., Collector of Ganjam, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chatterpore, 11th February 1874, No. 407:—

SINCE the last revision of the Sea Customs establishment, the work at the Customs-house at Gopalpore has greatly increased in consequence of the increased trade, and of the bi-monthly visit of coasting Steamers both from Calcutta and Bombay, and it is found difficult to get through the work with the assistance of two Gumastas, I have, therefore, the honour to request that the Board will be pleased to obtain the sanction of Government for the employment of a 3rd Clerk on Rupees 15 per mensem.

2. I also recommend the employment of four Sweepers for the Customs-houses at the minor ports on Rupees 3 each, per mensem.

" Barampadu	...	...	...	...	1	1	Board, by debiting the amount to
						6	Contingencies.

4. The service of these cooly sweepers cannot always be commanded.

5. As there are Government buildings in all these minor ports, it is necessary that there should be regular sweepers on monthly pay.

6. To meet the additional cost of Rupees 27 now recommended, I propose the abolition of the post of a peon at the port of Gopalpore as well as of those of weighers in all the three principal ports, as the duties conducted by these latter servants may be performed by other persons without any inconvenience whatever.
