*Proceedings of the Madras Government, Revenue Department,
21st April 1874.*

No. 133. Read the following Proceedings of the Board of Revenue, dated 10th March 1874, No. 532.

Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Calicut, 16th January 1874, No. 8:—

With reference to the Board's Official Memorandum, dated 10th instant, No. 241, I have the honour to inform you that the rice therein alluded to, and mentioned in the Trade Return, No. 3-1 for November last, as having been exported to Ceylon was in fact exported to the Laccadives, and consequently no duty was levied on it as usual; and that Ceylon was inadvertently inserted in the original from which the translation was prepared.

The Board observe that in Return No. 23 annexed to the Resolution of the Government of India, dated the 25th October 1865, No. 3,138, the Laccadive Islands are mentioned as foreign ports, and they are informed that duty is levied on exports to them from Madras.

2. The Collector of Sea Customs and the Collectors of all Maritime districts will accordingly be directed to include the Laccadive Islands amongst the "Indian or Home ports," and Government will be requested to address the Government of India on the subject.
