Read the following papers :—

No. 48. Endorsement of the Secretary to Government, Revenue Department,
dated 5th February 1874.

Proceedings of the Board of Revenue, dated 28th January 1874, No. 145.

ABSTRACT.—*Gopaulpore Lunkas*—Godavery District.—Acting Collector's letter representing that serious damage is being done to west bank of Godavery river by planting of lunka grass on borders of—and requesting sanction for taking up the lunkas under Land Acquisition Act (X. of 1870), submitted for orders of Government with remarks.

TRANSFERRED to the Department Public Works.

(Signed) D. F. CARMICHAEL,
Secretary to Government.

No. 150.

No. 49. *Note by the Chief Engineer for Irrigation.*

THE proposition for acquiring land at the Gopaulpore lunka, in connection with river conservancy, has been brought forward in the wrong way. The course to be adopted is clearly laid down in Proceedings, Madras Government, No. 941, of the 30th March 1871, and until that is followed the matter cannot be disposed of.

2. Very strong evidence would be needed of the necessity of acquiring 982 acres of land at one part of the river, before a recommendation to that effect could be made to Government.

3. When the circumstances of the locality have been clearly explained by plans or surveys, and it is understood what is proposed to be done to remedy the evils complained of, and what new alignment of the river here is desirable, it will be comparatively easy to decide what extent of land it will be requisite to acquire.

FORT ST. GEORGE, (Signed) J. MULLINS, Lieut.-Colonel, R.E.,
13th February 1874. *Chief Engineer for Irrigation.*

No. 50. ORDER THEREON, 2nd March 1874, No. 542.

IRRIGATION, No. 4.

COMMUNICATED to the District Engineer, Godavery, who will lose no time in following the course laid down in Proceedings, Madras Government, No. 941, of the 30th March 1871, for the acquisition of river margins for purposes of conservancy, and in submitting his propositions in such a shape as will allow of the circumstances and requirements of the case being clearly understood.

(True Extract.)

 Colonel, R.E.,
Secretary to Government.

To the District Engineer, Godavery.

„ Revenue Department,

„ Chief Engineer for Irrigation.
