*Proceedings of the Madras Government, Revenue Department,
13th January 1874.*

No. 92. Read the following letter from J. GROSE, Esq., Secretary to the Board of Revenue, to D. F. CARMICHAEL, Esq., Secretary to Government, Revenue Department, dated 6th December 1873, No. 2,491:—

By direction of the Board of Revenue I have the honour to submit, for the sanction of Government, with reference to their Order, dated 1st October 1867, No. 2,289, the subjoined statement of receipts and charges on account of stamping weights and measures for the official year 1872-73:—

2. On the whole both receipts and charges were larger than those of 1871-72, but the proportion of the charges to receipts remained the same, being in both years forty-four per cent. of the receipts.

3. The receipts in the districts marginally noted show an appreciable falling off, for which, however, no special reason is assigned. The receipts in Bellary as here given are found to disagree by a small sum of Rupees 35 from the entries made in the Monthly Progress Returns for March 1873 received from the district. The Collector has been called upon to explain the difference, and his reply, when received, will be communicated to Government.

4. By far the largest increase in receipts and charges occurs in Tinnevely, where the stamping operations were extended during the year by the employment of an additional establishment in certain taluqs.

5. It must be observed that while the receipts in Kistna declined by Rupees 152 the charges increased by Rupees 88. The Collector has been requested to explain how this happened and to see that the expenditure does not in future exceed the receipts.

6. The fluctuations in the remaining districts call for no remark.
