*Proceedings of the Madras Government, Revenue Department,
24th April 1874.*

No. 188. Read the following Proceedings of the Board of Revenue, dated 30th March 1874, No. 728 :—

Read the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Bapatla, 27th February, 1874, No. 15 :—

In the Guntoor portion of this district, a deduction, styled "Vandra," granted long ago, has been yearly made in the assessment of some of the dry fields, held in some cases by influential ryots, brahmins, and so on; in some cases by working Curnams. The rate of deduction varies from one-third to one-eighth of the assessment, without any assignable reason.

2. That allowed to Curnams was for work done; but no cause can be given for the allowance to ryots.

3. With the introduction of the Settlement rates, the deduction to non-officials will, of course, cease; but I doubt if it should not be allowed to Curnams until the Village Service Act is enforced.

4. I request orders.

SUBMITTED for the orders of Government.

2. The Board think that the customary deductions amounting to about Rupees 6,000 (Correspondence relating to the Revision of Village Establishments page 110) should be continued in the case of working Curnams until the Village Service Cess Act is introduced.

No. 189. ORDER THEREON, 24th April 1874, No. 498.

Land Revenue, No. 5.

THE Government agree with the Board.
