*Proceedings of the Madras Government, Revenue Department,

No. 197. Read the following Proceedings of the Board of Revenue, dated 9th April 1874, No. 795.

Read the following letter from Lieut. Colonel C. S. HEARN, Inspector General of Police, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chingleput, 18th March 1874, No. 1,113 :—

I HAVE the honour to submit, for the consideration of the Board of Revenue, the accompanying letters from the District Magistrate and from the Superintendent of Police, South Arcot, asking for an increase of four Constables (two temporary and two permanent) to the Salt guards in that district, for employment at the Gundalum and Kudicadu Salt pans.

2. An inspection of Salt pans, in the Chingleput District, has convinced me that in many places they are undermanned, (as shown by the Superintendent of Police in this instance,) and I recommend that the increase be sanctioned.

Rupees 318 per annum.

3. The cost will be as marginally shown.

ENCLOSURE No. 1.

From J. H. GARSTIN, Esq., Magistrate of South Arcot, to Lieut. Colonel C. S. HEARN, Inspector-General of Police, Madras, dated Cuddalore, 19th March 1874.

The Superintendent of Police, at the instance of the Salt Deputy-Collector, has brought to notice that the twelve Constables attached to the Gundalum and Kudicadu pans are insufficient to guard the same, and suggest that two temporary and two permanent Constables be added to their number. I have, therefore, the honour to request that you will be good enough to obtain the sanction of Government for this augmentation of the Police force.

2. Copy of the letter of the Superintendent of Police is enclosed.

ENCLOSURE No. 2.

From Captain T. H. B. YOUNG, Superintendent of Police, to J. H. GARSTIN, Esq., District Collector, South Arcot, dated Cuddalore, 4th March 1874, No. 63.

The Deputy-Collector in charge of Salt has forwarded a report from his Gundalum Superintendent, who complains of the want of men at the Salt pans. On enquiry, I find that the temporary guard is insufficient for the duties required, and have, therefore, the honour to request that you

will obtain the necessary sanction for the addition as per margin to the temporary and permanent guards employed at Salt pans. The strength of Police employed at Gundalum and Kudicadu, and their distribution, is as follows :—
