Proceedings of the Madras Government, Revenue Department, 24th April 1874.

No. 207. Read the following Proceedings of the Board of Revenue, dated 15th April 1874, No. 884 :—

Read the following letter from the Hon. D. ARBUTHNOTT, Collector of Tanjore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Puttucottah, 24th March 1874, No. 73 :—

In G. O., dated 16th instant, No. 714, Public Works Department, Government direct me to make the necessary arrangements for the transfer of the lands required for the extension of the Great Southern of India Railway from Tanjore northwards so soon as the Company may be prepared to receive them. This work would, as the Board are no doubt aware, require the exclusive attention of a separate officer for some time, and I am not at present able to spare one for the duty. I have the honour, therefore, to request that the Board will be good enough to recommend Government to depute an additional Deputy Collector for this duty in this District.

2. I beg also to remind the Board that the applications* for additional establishment for introducing the Fieldwar assessment in the Mettaruhaisal villages in this district has not as yet been disposed of, although the proposal of Major Oakes to survey the district, and to postpone the distribution of the lump assessment over individual fields till it should be completed, has finally been negatived by Government in their Proceedings, dated 19th July 1873, No. 755, Revenue Department. I would suggest that the additional Deputy Collector appointed for doing the Railway work may, as soon as it is completed, be entrusted with the duty of introducing the Fieldwar assessment.

* Dated 20th January 1873, No. 14, and 12th February 1873, No. 61, printed in Board's Proceedings, dated 9th April 1873, No. 556.

Submitted for the orders of Government.

2. The Collector reports that he will need a Deputy Collector in connection with the transfer of land for the Railway which is to be extended from Tanjore northwards, and alludes to the application submitted to Government in Board's Proceedings, dated 9th April 1873, No. 556, and not yet disposed of for a Deputy Collector and office establishment to carry out the detailed field assessment in the Mettamfaisal districts.

3. The Board think that a temporary Deputy Collector should be at once placed at the disposal of the Collector of Tanjore, and that he should set to work in the Mettamfaisal villages directly the arrangements for transferring land are so far advanced as to give him leisure for doing so. For this duty unusually good qualifications will be necessary.

4. The Collector will report what establishment will be needed by the Deputy Collector whilst he is engaged in arranging for the transfer of land.

Miscellaneous.

HIS EXCELLENCY the Governor in Council sanctions the appointment of a Deputy-Collector for the special duty referred to in paragraph 1 of the Collector's letter. The work should be carried out with energy.

2. The question referred to in Board's Proceedings, 9th April 1873, No. 536, will be separately disposed of.
