*Proceedings of the Madras Government, Revenue Department,
4th May 1874.*

No. 51. Read the following letter from H. E. SULLIVAN, Esq., Officiating Director of Revenue Settlement, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, Coimbatore, dated 8th April 1874, No. 767-9.—

Referring to my letter of the 18th ultimo, No. 673, I have the honour to forward copy of an Objection Statement received from the Deputy-Director in the Ganjam District, from which it will be seen that the Accountant-General has retrenched the salaries of the Gumastahs marginally noted, from November 1873 to January 1874, on the ground that

they are not passed men. As intimated in the letter above quoted, these Gumastahs were transferred from the Kistna and Cuddapah parties to Ganjam, and appointed to their present posts as the only persons qualified by experience in the department who were available. I request, therefore, that Government will be pleased to authorize the Accountant-General to pass the pay now due to them, and to sanction their being retained in their present posts, the salary of which is Rs. 25 and Rs. 20, respectively. Service in the Ganjam District is not popular, and to prevent work coming to a standstill, a relaxation of the Examination Rules to a certain extent is absolutely necessary in the case of men who have been specially trained to the work of the Settlement Department.

these men were transferred from the Kibna and Gaddafal parties to Langjau and appointed to their present posts as the only persons qualified by experience in the department who were available. I request, therefore, that Government will be pleased to authorize the Assistant Quarter Master to pass the pay now due to them and to sanction their being retained in their present posts the salary of which is Rs. 25 and Rs. 20 respectively. Service in the Langjau district is a popular one to persons and is considered a valuable addition to the remuneration received by a person in the service of the Government. It is necessary in the present circumstances to have them

been specially trained to the work of the Settlement Department.

I have the honor to be
