Proceedings of the Madras Government, Revenue Department,

5th May 1874.

No. 61. Read the following Proceedings of the Board of Revenue, dated 30th April 1874, Miscellaneous No. 2,863 :—

Read the following letter from H. S. THOMAS, Esq., Collector of South Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mangalore, 22nd April 1874, No. 737.

I HAVE the honour to submit, for the sanction of the Board of Revenue and the provision of the necessary funds for its execution, an emergent estimate, amounting to Rupees 230, supplied to me by the District Engineer for repairing the southern wall of the taluq cutcherry compound at Mangalore, a portion of which has recently collapsed and the remaining portion of which is also in danger.

2. The wall, 40 feet in length, was built for the purpose of retaining the earth of the taluq cutcherry compound from being washed away into a hollow portion of the ground outside, and answered at the same time as a compound wall. During the last monsoon a portion, 19 feet in length, collapsed, and a further portion of 12 feet in length is again in danger of giving way, as a crack has appeared.

3. If the wall is not immediately repaired, it is probable that the whole will come down during the monsoon which is approaching. I have, therefore, the honour to request that the estimate may be sanctioned and the necessary funds provided. The Engineer states that he has no funds at his disposal to meet the cost of the work.

SUBMITTED for the favourable consideration of Government.

No. 62. ORDER THEREON, 5th May 1874, No. 548.

Miscellaneous.

THE estimate is sanctioned ; funds will be provided in the Public Works Department.
