*Proceedings of the Madras Government, Revenue Department,
6th May 1874.*

No. 84. Read the following Proceedings of the Board of Revenue, dated 1st April 1874, No. 75:—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot to J. GROSE, Esq., Secretary to the Board of Revenue, dated Puarot 27th March 1874, No. 151:—

In continuation of my letter of the 18th instant, No. 133, I have the honour to forward the reply from the Acting Sub-Collector, to my Circular letter of the 29th January last, which only reached me to-day; I have now no observations to offer on it, as Mr. Lister's proposals have evidently been approved by Mr. Banbury.

ENCLOSURE No. 1.

From A. L. LISTER, Esq., Acting Sub-Collector, to J. H. GARSTIN, Esq., Collector of South Arcot, dated Kullakurchi, 24th March 1874, No. 161.

In reply to your letter, No. 75, of the 29th January last, I have the honour to forward, herewith, the originals of the replies received from the Tahsildars and Deputy Tahsildars of this Division regarding the failure of Poonjah crops and the necessity for granting remission.

2. The Streemustnam firka and the eastern portion of Bhowmaghiri are the only parts where the grain grown to any considerable extent is Chellambur Taluk. The field generally is

kats on the extent grown with this grain to such landholders whose putta Beriz does not exceed Rupees 25. In eighty-two villages of the Kullakurchi Taluk, $\frac{1}{4}$ of the whole Poonjah Beriz is to be remitted. I do not at present see any reason to consider that this measure of relief is otherwise than amply sufficient to meet all cases of real hardship.

J. H. GARSTIN,
Collector.

SUBMITTED for the information of Government. The Board learn that the arrangements detailed by Mr. Lister were made after personal conference with their 2nd Member, and that they agree with the recommendations submitted to Government by Mr. Banbury on the 30th ultimo.

No. 85.

ORDER THEREON, 6th May 1874, No. 559.

Miscellaneous.

The Government consider the fiscal relief already sanctioned all that is required, and ample under the circumstances.

Sir,

In reply to your letter
N^o 75 of the 29th January last I have
the

the honor to forward here-
with the originals of the replies
received from the Tahsildars
and Deputy Tahsildars of this
Division regarding the failure
of Poorjah crops and the necessity
for granting remission.

2. The Streamustan firka
and the eastern portion of
Dhownaghere are the only
parts where Poorjah is grown to
any considerable extent in
the Chellumbaram Taluk. The
yield generally is reported
to have been below the average
with entire failure in a few
cases. In Virudachellum the
yield appears to have been

above a moiety of the average
and in some parts of Kulla-
koochy a little less.

3. As Variagu the staple
article of food among the poorer
class seems to have suffered
most of all the crops I am
granting under instructions
from Mr. Raubury a remission
of the lost 3 Kists on the extent
grown with this grain to such
land holders whose puttah
Deriz does not exceed Ru-
pees 25. In 82 Villages of the
Kulla Koochy taking $\frac{5}{16}$ of the
whole Poonjah Deriz is to be
remitted I do not at present
see any reason to consider
that

that this measure of relief
is otherwise than amply suf-
ficient to meet all cases of
real hardship.
