From

Collector of the Chingleput D^o.

To

J. Grose Esquire
Secretary to the Board of Revenue
Madras

SIR,

Adverting to the concluding portion of para 3, of my letter N^o 328, dated the 11th August last, I have the honor to recommend that Ramanuja Pillay, 2nd Revenue Inspector of the Taidapet Talook, who attained the age of 55 on the 31st March 1873, may be retained in the public service for a period of 4 years, 11 months and 10 days, from 1st April 1873, to enable him to earn his

his half pension, subject, of course, to the usual annual report of fitness.

2. Mr. Jones, Deputy Collector in charge of the Talook, reports him to be of robust frame, and physically well fit for work, while Deputy Collector Venkatesiah, under whom he is performing special work, in measuring lands required for Railway purposes, gives a high opinion, regarding his usefulness and industry. I too know the man, and consider him useful and up to further work.

3. The cause of the delay in submitting this application, was owing to this Inspector being suspected of laxness in certain defalcations, committed by a Talook Peon who absconded

in March 1873; and the Tahildar's report exonerating him was only received in spite of three reminders at the end of March last. The subsequent delay, which I regret, occurred in this Office but the work has been heavy of late, owing to accumulation resulting from a protracted Jambundi, which was only concluded at the end of June last.
