To

THE SECRETARY TO THE GOVERNMENT OF INDIA.

Department of Agric. Revenue and Commerce.

25/587 No. 587.

25/587

Sir,

I am directed to forward, for submission to the Govt of India, the accompanying letter from the Supt. of Revenue Survey containing certain proposals for reducing the cost per square mile of the work of his Dept, ^{and} ~~and~~ ^{with} accelerating its progress, and generally for placing the Dept on a more efficient footing.

2 These proposals are briefly stated in the Proceedings of Govt of India, date, No. 586, to which a

reference is requested.

3. They involve the introduction of a revised scale of establishment which I am directed to submit, in the prescribed tabular form, with the recommendation of this Govt that it may receive the sanction of the Govt of India.

4. This revised scale, ~~is a net saving~~, results in a net saving to the State of Rs 8,920 per annum, and has the advantage of removing existing cause of complaints by unfavorable comparison with the department elsewhere, while it is reasonable and moderate.

In its proposals, and promises to secure more satisfactory results than have hitherto been obtained in the matters of cost and rate of execution of work.

5. ~~If sanctioned, it will be introduced as early as possible with due regard to existing circumstances.~~

5. Since the date of the submission of the revised scale of establishment by Colonel Priestley the Financial Resolution of the Government of India dated 31st October 1872 No. 3927 has been received sanctioning the consolidated rates of pay proposed by the Madras Government some years ago, but disallowed in Financial Resolution

No.

No. 2752 dated 7th October
1865. The ultimate effect
of this Resolution if adhered
to would be considerably
to modify the distribution
of the pay of the superior
Officers as shown in the
tabular form "Present scale"
but as the exception in
favor of present incumbents
has greatly limited its
action up to date it has
not been thought neces-
sary to return the form
for revision. The attention
of the Government of India
is requested to Colonel
Priestley's letter dated
31st January 1873. The
hardship therein alluded
to involved by the un-
expected adoption of the
Consolidated rates of pay
in the case of the Military
Officers.

Officers who have been
working in the department
for the last 10 or 15 years
affords in the opinion of
this Government, an ad-
ditional argument in
favor of the scale now
submitted which, if sanc-
tioned, will be introduced
as rapidly as possible
with due regard to
existing incumbents.

C. Full particulars
regarding the work hitherto
accomplished by the
Madras Revenue Survey
Department will be
found in the Proceedings
of the Board of Revenue
forwarded with my letter
of this date No. 587.
