REVENUE DEPARTMENT,
OOTACAMUND,
11*th May* 1874.

No. 145.

To

THE SECRETARY TO T[illegible]MENT OF INDIA,
DEPARTMENT OF REVENUE,
AGRICULTURE, AND COMMERCE.

Miscellaneous.

SIR,—I am directed to forward, for [illegible]bmission to the Government of India, [illegible]e accompanying letters from the Superintendent of Revenue Survey, c[illegible]ing certain proposals for reducing the cost per square mile of the work of [illegible]rtment, while accelerating its progress, and generally for placing the departn[illegible]m a more efficient footing.

2. These proposals are briefly [illegible]. the Proceedings of Government of this date, No. 586, to which a referen[illegible] requested.

3. They involve the introductio[illegible]sed scale of establishment, which I am now directed to submit, in the [illegible] tabular form, with the recommendation of this Government that it ma[illegible] the sanction of the Government of India.

4. This revised scale [illegible] saving to the State of Rs. 8,920 per annum, and has the advantage ot [illegible]ng cause of complaint by unfavourable comparison with the departme[illegible]re, while it is reasonable and moderate in its proposals, and promises to se[illegible] more satisfactory results than have hitherto been obtained in the matters c[illegible]st and rate of execution of work.

5. Since the date of the submissi[illegible]f the revised scale of establishment by Colonel Priestley, the Financial Resolu[illegible] the Government of India, dated 31st October 1872, No. 3,927, has been r[illegible]oning the consolidated rates of pay proposed by the Madras Govern[illegible]years ago, but disallowed in Financial Resolution, No. 2,752, dated [illegible]865. The ultimate effect of this Resolution, if adhered to, woul[illegible] modify the distribution of the pay of the superior officers as show[illegible]m "Present Scale," but as the exception in favour of present i[illegible]atly limited its action up to date, it has not been thought neces[illegible] form for revision. The attention of the Government of Indi[illegible]olonel Priestley's letter, dated 31st January 1873. The hardsl[illegible] involved by the unexpected adoption of the consolidated ra[illegible]of the Military officers who have been working in the departn[illegible]n or fifteen years affords, in the opinion of this Government an[illegible]nt in favour of the scale now submitted, which, if sanctio[illegible]d as rapidly as possible, with due regard to existing incumbe[illegible]

6. Full particulars regarding the [illegible]nplished by the Madras Revenue Survey Department will be fo[illegible]dings of the Board of Revenue, forwarded with my letter of thi[illegible]plying for sanction for an additional Survey Party to be employ[illegible]pographical arrears.

I hav[illegible]

[illegible]servant,
[illegible]MASTER,
[illegible]*ry to Government.*

Exd. F. R. Bantleman.

Ootacamund,
11*th May* 1874.

(Signed) C. G. MASTER,
Acting Secretary to Government.

127/23

Rec'd 11 May 1874

25/587 No. 587.

25/527

To

THE SECRETARY TO THE GOVERNMENT OF INDIA.

Department of Agrc. Revenue and Commerce

Sir,

I am directed to forward, for submission to the Govt of India, the accompanying letter from the Supt of Revenue Survey containing certain proposals for reducing the cost per square mile of the work of his Dept, and accelerating its progress, and generally for placing the Dept on a more efficient footing.

2. These proposals are briefly stated in the Proceedings of Govt of the date, No. 586, to which a

reference is requested

3. They involve the introduction of a revised scale of establishment which I am now directed to submit, in the prescribed tabular form, with the recommendation of this Govt that it may receive the sanction of the Govt of India

4. This revised scale, ~~can be explained~~, results in a net saving to the State of Rs 8,920 per annum, and has the advantage of removing existing cause of complaint by unfavorable comparison with the departments elsewhere, while it is reasonable and moderate

in its proposals, and promises to secure more satisfactory results than have hitherto been obtained in the matters of cost and rate of execution of work

27
587

5 ~~If sanctioned, it will be introduced as rapidly as possible with due regard to existing engagements~~

5. Since the date of the submission of the revised scale of establishment by Colonel Priestley the Financial Resolution of the Government of India dated 31st October 1872 No. 3927 has been received sanctioning the consolidated rates of pay proposed by the Madras Government some years ago, but disallowed in Financial Resolution

No.

No. 2752 dated 7th Octob. 1865. The ultimate effect of this Resolution if adhered to would be considerably to modify the distribution of the pay of the superior Officers as shown in the tabular form "Present scale" but as the exception in favor of present incumbents has greatly limited its action up to date it has not been thought necessary to return the form for revision. The attention of the Government of India is requested to Colonel Priestley's letter dated 31st January 1873. The hardship therein alluded to involved by the unexpected adoption of the Consolidated rules of pay in the case of the Military Officers

29/587

Officers who have been working in the department for the last 10 or 15 years affords in the opinion of this Government, an additional argument in favor of the scale now submitted which, if sanctioned, will be introduced as rapidly as possible with due regard to existing incumbents.

6. Full particulars regarding the work hitherto accomplished by the Madras Revenue Survey Department will be found in the Proceedings of the Board of Revenue forwarded with my letter of this date No. 584-1, applying

applying for sanction for
an additional Survey party
to be employed in bring
ing up Topographical
arrears.
