Sir

I have the honor to report
for the information of the Board that,
with their permission, I purpose to
allow the marginally mentioned

| 1. Marupudi Venkatachalam Deputy
Tahsildar of Visoanmapeta. Vide
G.O. No 594 of 12 th April 1872 | individuals
to continue
in the service. |
| 2. Mr. Venkatasamu 3 ^d Compositor
Printing Department. Vide G.O.
No 42 dated 7 th August 1873 | they have been
reported to me
fit for
further service. |

Enclosed

2. Inclosed is a list showing the names &c of the officials whose salaries have been retrenched by the Accountant General on the ground that the renewed sanction of Government is necessary for their further continuance in the public service. The Accountant General thinks that they must retire from 1st April last; but I was under the impression that they could be permitted to continue in service until the expiration of one year from the date of the last Government order sanctioning their retention. The dates on which their services have been or will be dispensed with are given in the statement.

3. Two others who have only now attained the age of 55 have also been ordered to vacate their offices from 1st July. The Accountant General has retrenched the salaries of these men also from April

April.

4. I therefore request that the necessary steps may be taken to cause the Accountant General to withdraw his objection, and to enable me to pass the salaries of these men up to the date on which their services are actually dispensed with, which will be within the date up to which Government have sanctioned their retention.

at Masulipatam

The Collector does not send a copy of the Accountant General's Return - ment notice, but probably all that is necessary to get the salary of these men (except nos 13 and 14) passed is a report of their efficiency, and this letter will accordingly be communicated to the Accountant General.

The

The Board resolve to request Govern-
ment sanction the retention in the
service of P. Subba Rao and V. Sini-
vasa Rao who have lately attained
the age of 55
