For Orders

Mr. W. D. D. D. D. recently proposed the en-
tertainment of a minor distillation es-
tablishment at a cost of Rs 180
per annum which he proposed to
meet by a voluntary cess, or a land
endowment. - The Board showed objections
to these methods of meeting the cost
and remarked that until the village
service cess was introduced a temporary
establishment was needed from Imperial
funds.

The S. O. enquired itself as agreeing
with the S. O. that neither of the latter
proposals could be adopted.

The Board now wants to know if
the Government approve of the entertainment of an
establishment paid from Imperial funds.
