Dated 26th February 1876.

No. 37.

Read the following

From

A. Macgregor Esq.
Collector of Malabar.

To

J. Grose Esq.
Secretary to the Board of Revenue,
Madras.

SIR,

I have the honor to submit for the approval of Government a preliminary estimate amounting to Rupees 2600 for improvements to the Salt Gallah at Calicut which is in a dilapidated state owing to the supporting walls of the same having given way and thereby weakening the structure of the main walls.

2 In October 1871 I requested the District Engineer to make provision

for the work in his Budget for 1872-73
but that officer informed me that
this could not be done, as his Budget
had been submitted to Government
and added that if a list of Salt
works were sent to him, he would
make a Supplemental Budget, but
as in the meantime temporary mea-
sures were adopted to prevent the
Gollah from further damage, pending
the introduction of the Excise Act,
no list appears to have been forwarded
to him.

I have to
Malabar Collector's Office. } (Sig.?) C. C. Cunningham
Dated 5th February 1874 } Appt. for Collector.

The Estimate will be submitted

for

for the sanction of Government.

2. The charge can be met from
General Savings under Salt, though
there are no savings under Petty con-
struction and Repairs.
