*Proceedings of the Madras Government, Revenue Department,
19th May 1874.*

No. 183. Read the following Proceedings of the Board of Revenue, dated
2nd May 1874, No. 1,025:—

Read the following letter from J. B. PENNINGTON, Esq., Acting Collector of
Trichinopoly, to J. GROSE, Esq., Secretary to the Board of Revenue,
dated 5th March 1874, No. 48.

I HAVE the honour to request that I may be informed if the Notification of
the Government of India, No. 929, dated the 5th ultimo, ruling that "no public
servant shall draw travelling allowances for a journey taken from his head-
quarters to visit any place not more than five miles distant therefrom," refers to
cases where the officer goes and returns the same day or goes permanently into
camp at a distance of five miles from head-quarters on account of official work.

THE Board resolve to refer the point for the orders of Government with the
expression of their opinion that when an officer goes into camp "bonâ fide" on
duty and lives in his tents, even if the distance be less than five miles, he is
entitled to draw tentage; but that if he merely goes out and back the same day,
or if he merely holds his office in camp returning to his house in the evening, he
should not be considered entitled to draw the allowance.

No. 184. ORDER THEREON, 19th May 1874, No. 608.

Miscellaneous.

THE use of the word "visit"
clearly shows that the Notification
does not apply to an officer who

bona fide camps out away from home on duty.

Acting Secretary to Government.
