*Proceedings of the Madras Government, Revenue Department,
22nd May 1874.*

No. 207. Read the following Endorsement of the Secretary to Government, Public Works Department, dated Ootacamund, 12th May 1874 :—

Read the following letter from Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Coonoor, 27th April 1874, No. 638 :—

I HAVE the honour to forward for the sanction of Government an estimate of Rs. 12,640, accompanied by plans, specification, and site-plan for a cutcherry for the Head Assistant Collector to be built at Cundapoor in the South

1 Plan of Cutcherry.	2 Estimates.
1 Do. of out-houses.	2 Specifications.
1 Block-plan.	1 Certificate.

Canara District; also an estimate of Rs. 1,975 for out-offices for the same.

2. The estimate and plan were called for in G. O., No. 1,441, dated 18th October 1872 (Revenue Department). They were forwarded in May 1873 for the approval of the Board of Revenue, who, in returning them, observed that the accommodation provided was sufficient, but that there were no out-offices. The District Engineer then prepared a separate plan and estimate for a tiffin-room and latrine, the only out-offices stated to be required. The estimates had afterwards to be returned for revision, and on the 1st of April 1874 the District Engineer reported that he had ascertained that owing to the distance the materials would have to be carried, the rates for laterite in chunam would have to be increased considerably. The estimates have been altered accordingly.

3. It will be seen that the cost of the compound wall is no less than Rs. 5,450. The cost of a hedge, including maintenance for two years, will be only Rs. 180, or with gates and gate-pillars, say, Rs. 335. If a hedge is substituted for the wall,—a change approved of by the Board of Revenue,—the estimate for the cutcherry will be reduced to Rs. 7,525.

REFERRED to the Revenue Department, with reference to the orders in that department (not communicated to the Public Works Department), dated 18th October 1872, No. 1,441.
