*Proceedings of the Madras Government, Revenue Department,
23rd May 1874.*

No. 221. Read the following Proceedings of the Board of Revenue, dated 2nd May 1874, No. 1,027:—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent, Government Farms, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Sydapet, 26th March 1874, No. 207:—

I HAVE the honour to request that I may be favoured with sanction for the continued employment of the Office Manager, whose entertainment was sanctioned, pending the appointment of an Assistant Superintendent, in paragraph 2 of G. O., dated the 2nd of July 1873, No. 677. His services are of great use to me; he has now been employed in my Office for nearly four years, and is thoroughly acquainted with my accounts and office-work during that period,—a period during which both accounts and office-work have passed through many transitions. His salary is only Rupees 45 per mensem, and the work he performs is not that on which a professional agriculturist could be profitably employed; even should my Assistant possess the necessary qualifications, it would still be necessary that he should undergo a lengthened training; but I venture to hope that we will be able to find much more useful employment for that gentleman's services. My office-work is very heavy; thus, since the 1st of April 1873, we have written upwards of 900 official letters connected with our ordinary work and 427 official letters connected with the Agricultural Exhibition.

2. I request, also, that I may be permitted to raise the monthly pay of Mohammed Jaffer and Kistnasawmy, two peons, from Rupees 6 per mensem to Rupees 7 per mensem, as their work has so much increased; and not only has this work increased in amount, but it has become much more responsible than was the case formerly, for, owing to our extended operations, it is very frequently necessary to send or bring large sums of money to or from the Bank of Madras.

3. These are the only matters connected with the increase of charges of establishment for 1874-75 for which I require sanction.

SUBMITTED for the favourable consideration of Government.

2. The Board concur with the Superintendent of Government Farms in his opinion that the Assistant Superintendent would not be profitably employed in performing the duties of Manager. They also think that the increase in the pay of the peons should be granted, as they are constantly entrusted with remittances of money.

No. 222. ORDER THEREON, 23rd May 1874, No. 626.

Miscellaneous.

THE Government sanction the retention of the Manager and the proposed increase in the pay of the two Peons.
