Read the following letter from Captain W. FREETH, First Assistant Superintendent, for Superintendent of Revenue Survey, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chepauk, 30th March 1874, No. 820-35 :—

In reply to Proceedings of the Board of Revenue, communicating G. O., No. 363, of the 18th March 1874, I have the honour to state, that in the event of the transfers recommended by the Board being sanctioned, the name only of one village will appear in two taluqs, viz., that of Virinjipuram.

2. From the Transfer Roll submitted with my letter of the 27th January 1874, No. 220-7, and from the sketch which accompanied it, the Board will observe that in the remaining six cases of transfer the amalgamation is to be complete, and the names of the villages or portions of villages transferred will disappear. The object of the transfer is to make the Palar River the natural boundary between

Case No. I. Virinjipuram.—The name to be retained in both taluqs, as the village has a large portion on both sides of the river and each has a village-site.

Case No. II. Melakalani.—The small portion 5.69 acres on the south side of the river to be amalgamated with Virinjipuram.

Case No. III. Kottamangalam.—The whole village, 332.62 acres, lies to the north of the river.

Case No. IV. Aupundi.—The small bit, 133.22 acres, on the north side of the river to be incorporated with Kottamangalam.

Case No. V. Poykai.—The portion, 277.28 acres, lying on the north bank to be transferred to Kottamangalam.

Case No. VI. Sattiyamangalam.—A small bit of 6.87 acres to be included in Virinjipuram, Guriattam Taluq.

Case No. VII. Melamananur.—The small bit on the north side of the river to be transferred to Terumani.

SUBMITTED for the information of Government with reference to their order, dated 18th March 1874, No. 363.

2. It is intended that the same name be retained both by the portion transferred and the part remaining only in one case, viz., Virinjipuram. The two parts will constitute separate villages which can be distinguished by prefixing the Vernacular terms *Vadaka* (Northern) and *Tén* (Southern).
