Proceedings of the Court of Wards.
Dated 30th June 1874.

Read the following:-

N^o. 173.

From W. S. Foster Esq^{re}
Sp. Collector

To J. Grosi Esq^{re}
Secretary to the Court of Wards
Madras.

Sir,
Referring to my letter of the 22nd
Ultimo N^o. 149, I have the honor to state
that in the event of the Court deciding
that the Gopalapuram Estate should
be brought under the management of
the Court of Wards, some establish-
ment will be necessary to manage the
affairs of the Estate.

2.

As already reported in my
letter

letter above quoted, the estate in question consists of 11 Villages paying a rent of Rs 63,500 to the Proprietrix. The annual Pishnah (Rs 18,540) being deducted, the net income is Rupees 54,960. There are two large Lankas attached to the village of Gopalapuram yielding an annual assessment of about Rupees 20,000. The Board of Revenue are aware that there have been disputes between the Proprietrix and the Department of Public Works regarding the cutting and planting of Lanka grass.

3. Besides the above there are some Lankas and Government assessed lands in the Government villages of Dwarapudi and Venalapilly.

4. Most of these have yet to be rented out for the next fiscal. The services of an able and experienced

experienced Manager are required, immediately on the estate being taken under the management of the Court of Wards.

6. I propose that the pay of the Manager be fixed at Rs 20 per mensem. It must be remembered that he has to pay 12 per Cent to Government to count his services towards pension.

7. A Revenue Inspector on 20 Rupees and 2 Gunastahs on 15 Rupees each and 3 peons at 6 Rupees each are proposed. I request that the Court of Wards will sanction the entertainment of this Establishment, if they decide that the Estate should be kept under their management.

Godavery District
Collectors' Office
Cocanada
9th June 1874

I have 18th
Signed, W. S. Foster
Sp. Collector.

The Establishment proposed by the Collector may be entertained in

in the event of Government authorizing
the Court of Wards to assume the
management of the Estate.

2. Considering the deduction towards
pension 11% which the Board observe,
should be 20 and not 12 per cent, the
managers' salary is not too high. The at-
tention of the Collector is drawn to Section
35 of the Civil Pension Code, from
which he will see that the contribution
towards pension is only required from
officers transferred from the service of
Government to service under the
Court of Wards.
