Proceedings of the Madras Government, Revenue Department,
29th May 1874.

No. 277. Read the following Endorsement of the Acting Chief Secretary to Government, dated Ootacamund, 16th May 1874 :—

Read the following letter from R. W. LODWICK, Esq., Accountant-General, Madras, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Ootacamund, dated Fort St. George, 13th May 1874, No. 10.

With reference to G. O., No. 516, dated 28th ultimo, I have the honour to state that a register showing the outturn of each day's counting will be kept as directed, and that the clerk, on Rs. 40 a-month, has been directed to keep an eye specially on the counters in future.

2. With respect to the dismissal of the volunteers, however, I beg to point out that these men are indispensably necessary, being required to fill the places of absentees. The work of the department calls for the presence on duty of the full complement of hands, and if some of these are absent, and there are no persons competent to take their places, it cannot be properly carried on. I beg, therefore, that the Government will be good enough to re-consider their order and allow me to retain these volunteers. A statement is forwarded in illustration of what I have said, showing the number of absentees daily during last month.

3. As regards the 3rd paragraph of the order, I beg to state that there are no "Tell-tales" attached to the machines.

Transferred to the Revenue Department, with reference to the orders in that department, dated 28th April 1874, No. 516.

(Signed) D. F. CARMICHAEL,
Acting Chief Secretary.

Should such a course be really necessary, they will be prepared to apply to the Supreme Government to sanction an increase to the regular establishment, in which case full particulars should be furnished of the numbers already employed and the work performed by each.

2. The Accountant-General will place himself in communication with the Public Works Department on the question of providing "Tell-tales" to the Stamping Machines.
