Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ootacamund, 11th May 1874 N 30

I HAVE the honour to submit, for favourable consideration, an application from Mr. W. B. Liddell, of the Firm of Messrs. Walker and Co. in Madras, for 500 acres more or less of Government land on the left-hand side of the road from Pykarra to Neddivattum to form a Tea Plantation, of which only 230 acres are saleable.

2. Thirty acres of the land is heavy sholah; the rest is grass.
3. There is no objection on the part of the forest officer to the grant of the land.
4. I enclose a sketch.
5. Mr. Liddell is particularly anxious the application should be disposed of without delay, as he has made arrangements by anticipation to open the land, the cost of which is running on owing to his not knowing the forms to be adopted. He has already lost some months.
