*Proceedings of the Madras Government, Revenue Department,
29th May 1874.*

No. 296. Read the following Proceedings of the Board of Revenue, dated 22nd May 1874, Miscellaneous No. 3,403:—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 6th May 1874.

As my Assistant Mr. Thomson has been ordered, by telegram, to proceed to Salem, and as the Zillah Surgeon Dr. Wilson has left the station, and his successor is not expected to arrive for ten days or more, I have the honour to request that Government may be requested to appoint S. Vencatasubbiah, at present on special remission duty, as Additional Deputy-Collector and Magistrate with first class powers, to have charge of the Cuddalore Taluq until either another Assistant is appointed or until Mr. Thomson returns. The magisterial work is heavy, and it is impossible that I can perform it while on Jamabandi and on circuit at the salt-pans, which I must visit directly the Villapuram Jamabandi is over. Mr. Thomson leaves for Salem to-day. I must leave for Valudavore to-morrow, and Mr. Cox, whom I have ordered in from Tindevanum to take charge of the district and Subsidiary Jails, has not yet arrived, although daily expected. It is too much to expect that he can manage the three taluqs of Tindevanum, Villapuram, and Cuddalore, as well as the frontier customs; so that unless another Assistant can be sent to me, I beg that the Additional Deputy-Collector may be appointed at once as requested.

From the same officer, dated Villapuram, 14th May 1874, No. 228.

Your official memorandum of the 9th instant, No. 602, only reached me to-day.

2. The remission accounts of all the villages in both Tindevanum and Villapuram have been prepared in the form suggested by Vencatasubbiah and on the principles advocated by Mr. Banbury. The examination of all these accounts has been carried out by the taluq officials in the Tindevanum Taluq. The further testing of their accuracy by Vencatasubbiah remains to be done. In Villapuram the remission accounts of about 130 villages only remain to be scrutinized.

3. Vencatasubbiah thinks he will be able to finish the work in both taluqs within a week or at the most ten days.

4. I think the examination may be finished within a fortnight.

THE first letter in which the Collector represents the need of an Additional Deputy-Collector during the absence of his Assistant, Mr. Thomson, and suggests that S. Vencatasubbiah, now officiating as Special Deputy-Collector, should do the work after finishing that on which he is engaged at present, will be submitted for the favourable consideration of Government.

No. 297. ORDER THEREON, 29th May 1874, No. 663.

Miscellaneous.

S. VENCATASUBBIAH has already been appointed a temporary Deputy-Collector and Magistrate on general

duty, and his continued employment in that capacity during the absence of the Assistant Collector is approved.

2. The necessary orders as to powers will be issued in the Judicial Department.
