*Proceedings of the Madras Government, Revenue Department,
30th May 1874.*

No. 300. Read the following Proceedings of the Board of Revenue, dated 13th May 1874, No. 1,117:—

Read the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Masulipatam, 1st April 1874, No. 539.

I HAVE the honour to recommend to Government, if the Board see fit to forward the proposal, that the head quarters of the Deputy Tahsildar and Sub-Magistrate of Avanigadda in Divi Division of the Bandar Taluq be removed from Avanigadda to Koduru as a temporary measure.

2. The building used for a cutcherry is a most miserable native house, and is rented from the ex-Zemindar of Divi at a cost of Rupees 3 per mensem; while the station-house and Police lock-up are now situate in a building which belongs to the Local Fund Board, and which the Board are on the point of repairing for a school-house: for this building Government also pays a rent of Rupees 3 per mensem. When the repairs to the house are commenced there will be absolutely no decent place that can be rented for a station-house and lock-up; while, at Koduru, there is a fine commodious Government building, now in use as a Police station, that will easily accommodate the Sub-Magistrate's office and the Police station-house, and that has rooms that are ample for the Sub-Magistrate's lock-up. In fact it was till recently the head quarters of the division.

3. Koduru is no doubt a smaller place, and one of less significance than Avanigadda, but it is not, as the latter is, a dismal swamp during the rains. I only propose the change as a temporary one at present, as funds are to be provided at some future time for a building at Avanigadda, but should I find (and I have no reason to doubt) that the change does not interfere with public business to any great extent I shall hereafter be able to recommend to Government the saving of the cost of a new building at Avanigadda altogether by making the change a permanent one.

4. The house now used as the cutcherry can then be utilized for the Police station-house for the present. The accommodation will not be good, but it is the best that can be provided, and will suffice for the custody of prisoners during the short time they are in the hands of Police.

5. Koduru is but eight miles from Avanigadda.

SUBMITTED for the orders of Government.

2. The Board believe that the building of a new Sub-Magistrate's office at Avanigadda was sanctioned eight years ago, but it has not been commenced yet, and under the circumstances described by the Collector a temporary transfer of the Sub-Magistrate to Koduru seems to be advisable.

3. The Board are decidedly of opinion that the transfer should be only temporary, and that the office should be built and the Sub-Magistrate replaced in Avanigadda as soon as possible.

4. Koduru is a small village surrounded by swamps, and almost unapproachable in wet weather. Avanigadda is a large village, and near all the most important villages of the division.
