No. 9. Read the following Proceedings of the Board of Revenue, dated 26th May 1874, No. 1,267 :—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Saidapet, 4th May 1874, No. 189.

In continuation of my demi-official of the 26th March last, and with reference to Government Order, Public Works Department, dated 13th February 1874, No. 353, I have the honour to report that the Salt Deputy-Collector whom I have consulted agrees with me that it would be much easier to connect the Carnatic Railway with the Homes' Gardens' depôt, and that any increased demand at Homes' Gardens could be easily met by extending the salt manufacture in the south, and this could be done with only a trifling additional cost of establishment, etc.
