*Proceedings of the Madras Government, Revenue Department,
2nd June 1874.*

Read again Endorsement of the Secretary to Government in the Public Works Department, dated 4th April 1874, recorded in the Proceedings of Government, dated 16th April 1874, No. 448.

No 15. Read also the following Proceedings of the Board of Revenue, dated 22nd May 1874, Miscellaneous No. 3,373 :—

Read Proceedings of Government, Revenue Department, dated 16th April 1874, No. 448.

ABSTRACT.—Referring to Board of Revenue for opinion remark of Secretary to Government, Public Works Department, regarding iron safes and cash-chests for Mofussil treasuries and Collectorates.

THE Board think that the obvious advantages which will attend the use of the safes make it desirable to face the possible difficulties to which the Secretary to Government in the Public Works Department refers.

No. 16. ORDER THEREON, 2nd June 1874, No. 676.

Miscellaneous.

THE two designs for the iron cage or strong room and the cash-chest are approved. Orders will be issued in the

Public Works Department for copies of the drawings being made for circulation.

2. The arrangement approved of in G. O., 13th May 1874, No. 1,288, Public Works Department, will probably supersede the general use of "Cages," and cages and chests of the pattern submitted will very rarely be necessary in the same Office.

Sir
I have the honor to submit two designs,
one for a Treasury Chest, and another for an
iron safe, suitable for a Municipal Treasury
and Collectors.

As I have on two or three occasions been
asked for designs of this kind, I would
venture to suggest that copies of the
drawings might be circulated.

I enclose a copy of the Board of
Revenue Proceedings No 7073 dated the
18th Oct 1873 signifying their approval of the
designs.

The Chief Engineer D.W. has the
honor to request the Consulting Architect
to Govt to be good enough with reference
to his letter of the 25th Instant No 594, to
furnish estimates of the Cost of the proposed
Treasure Chests and Safes. It is observed
that it may be difficult to get rivetting
well done in some of the proposed stations.
