*Proceedings of the Madras Government, Revenue Department,
4th June 1874.*

No. 39. Read the following Proceedings of the Board of Revenue, dated 23rd May 1874, No. 1,244:—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Saydapet, 19th May 1874, No. 221.

ADVERTING to the Proceedings of Madras Government, Revenue Department, dated 13th March last, No. 339, I have the honour to draw the attention of the Board to the statement forwarded with my letter No. 83, of the 12th idem, reporting with reference to paragraph 1 of the Board's Proceedings, dated 19th December 1873, No. 2,607, printed with the G. O. above quoted.

2. If Government sanction the sum recommended by the Board as compensation to Messrs. Cammiade Martin and Co., such amount added to the value of their securities will, as already pointed out, meet all their liabilities and leave a balance of some Rupees 20,000 to their credit. If, on the other hand, their claim is totally disallowed, there will be, when the value of all salt delivered to them from time to time has fallen due, about Rupees 26,000 to their debit, to meet which we hold no securities.

3. Under these circumstances, I again solicit early orders on this Firm's claim for compensation, or instructions as to whether, in the *interim*, I am to call upon them for further securities at once.

4. Immediately on the receipt of the G. O. under reference, I again stopped any further supply of salt to Messrs. Cammiade, Martin & Co. on credit, and am realizing by the sale of their securities, gradually, so as not to disturb market prices.

THE Collector should require Messrs. Cammiade, Martin & Co. to adjust their account at once, failing which he will continue to sell the securities deposited by them as he proposes.

2. It is evidently the intention of Government, from their Order of the 13th March 1874, No. 339, that the settlement of the outstanding balance should proceed just as if no claim to compensation was pending.

No. 40. ORDER THEREON, 4th June 1874, No. 687.

Separate Revenue, No. 3.

Salt.

THE Board are correct in their interpretation of the Order of Government, dated 13th March 1874, No. 339, and the further reference, made by the Collector, was unnecessary.

2. The Board will call upon Mr. Barlow to report, immediately, if the debt of Rs. 26,000 has been paid up, or additional Government securities given by the merchants.
