*Proceedings of the Madras Government, Revenue Department,
5th June 1874.*

No. 65. Read the following Report from Surgeon-Major G. BIDIE, M.B., on Nilgiri parasitical plants, dated 19th May 1874:—

No. 66. ORDER THEREON, 5th June 1874, No. 700.

Forests, No. 2A.

DR. BIDIE's report is very discouraging as to the possibility of counteracting the destructive effects of these parasitical plants on valuable fruit and timber trees on these hills. The knife and felling seem the only remedies.

2. This report, for which the Governor in Council is much obliged to Dr. Bidie, will be printed for distribution and sale. The plates will be lithographed, and the Superintendent, Government Central Museum, will be requested to have this work properly started before he leaves Madras.

3. The recommendations in the concluding paragraphs will be referred to the Forest Department for consideration.

(True Extract.)

(Signed) C. G. MASTER,
Acting Secretary to Government.

To Surgeon-Major G. Bidie, M.B.
„ the Board of Revenue.
„ the Commissioner of the Nilgiris.

held on these hills. The
knife & falling seem the
only remedies & and their
effect is often the risk
remedy of killing the bird
before his life.

✓ I would thank
Dr. B. for his very kind
words and love as

number of copies printed for
distribution & sale. He
wrote he expects to
arrange for the plates
being undertaken & lithographed
before he leaves.

3. 5.
Lager. But his advice begins with
the Acacia melanoxylon allorthera & also to
cut out such trees as have contracted the disease
which is spread to the forest.

W. M.

FOR ORDERS.

I suppose we had better
communicate the Report
to the Inspector
Directly, with a view
especially to the
remuneration of the Seed.

Kindly that it
is with white to
insert any reference in
printing it.
