MADRAS RECORD OFFICE

GOVERNMENT OF MADRAS

Revenue DEPARTMENT

G.O. No. 700 Press

B.P. No. BP 65-66. Mis.

Dated 5. 6. 1924 196—

Proceedings of the Madras Government, Revenue Department,
5th June 1874.

No. 65. Read the following Report from Surgeon-Major G. BIDIE, M.B., on Nilgiri parasitical plants, dated 19th May 1874:—

No. 66. ORDER THEREON, 5th June 1874, No. 700.

Forests, No. 2A.

DR. BIDIE's report is very discouraging as to the possibility of counteracting the destructive effects of these parasitical plants on valuable fruit and timber trees on these hills. The knife and felling seem the only remedies.

2. This report, for which the Governor in Council is much obliged to Dr. Bidie, will be printed for distribution and sale. The plates will be lithographed, and the Superintendent, Government Central Museum, will be requested to have this work properly started before he leaves Madras.

3. The recommendations in the concluding paragraphs will be referred to the Forest Department for consideration.

(True Extract.)

(Signed) C. G. MASTER,
Acting Secretary to Government.

REVENUE DEPARTMENT.

C. No. 1587.

From Surgn Major G. Bidie M.B

Dated 19th May 1874.

FOR ORDERS.

Dr Bidie's report is very
encouraging as to the
practicability of cultivating
the Cinchona plant &
their botanical plants
as valuable fruit & timber

Kels on this hill. The
Knife & falling below the
only connection || and this
effect is often the Fish
remedy of Killing the big
brave his life.

2 — I should like to
O. B. for his very Valuable
Monograph and his a

number of Acacias from Cork for
distribution & Kew. He
might be requested to
arrange for the Kew
being exclusively supplied
before the Summer

L & V.

Lagos — Port his address Lagos via Plymouth
the Acacia Melanoxylon allowed & also
Cut out such trees as have contracted the disease
Work referred to the Port Lagos

W Dyer

FOR ORDERS.

I suppose we had better communicate the Report of the Superintendent of Hospitals and Vaccination to the Medical Board.

I think that it will be advisable to circulate the Report to the Principal Medical Officers of the Army for their information.
