*Proceedings of the Madras Government, Revenue Department,
9th June 1874.*

No. 81. Read the following Proceedings of the Board of Revenue, dated 27th May 1874, No. 1,271:—

Read the following letter from H. S. THOMAS, Esq., Collector of South Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mangalore, 22nd April 1874, No. 731:—

I HAVE the honour to submit herewith for sanction an estimate,* amounting to

Rupees 1,730, for improvement, alterations and additions required to the present Sea Custom House at Gangolly (Kundapur), which is one of the oldest buildings in the district and in need of almost thorough reconstruction.

2. The state of the building having lately attracted my attention, I requested the District Engineer to inspect it with a view to its being repaired if possible, but that officer states that it is in such a dilapidated state that it would be useless to expend any money in the way of ordinary repairs, and supplies me with the accompanying estimate for its reconstruction. I have, therefore, the honour to request that the estimate may be sanctioned, and the necessary funds provided for its execution at an early date.

3. The port of Gangolly or Kundapur is one of considerable importance, being next only to that of Mangalore, and has a large export trade with an Assistant Superintendent of Sea Customs on Rupees 50 attached to it. It has also a good and easily accessible harbour, and the trade of the port fully justifies the small expenditure proposed in improving its Custom House.

ENCLOSURES Nos. 1 and 2.—Estimates.

ENCLOSURE No. 3.—Specification Report.

ENCLOSURE No. 4.—Plan.

SUBMITTED for the orders of Government.

2. The Collector of South Canara reports on the dilapidated condition of the Sea Custom House at Gangolly, and submits an estimate for its reconstruction. The total amount is Rupees 2,048-5-1, but it is calculated that the old materials will sell for Rupees 318-5-1, leaving a balance of Rupees 1,730.

3. The Board resolve to support the Collector's proposal, and recommend that it receive the sanction of Government, and that an early allotment of the necessary funds may be made.

No. 82. ORDER THEREON, 9th June 1874, No. 708.

Miscellaneous.

The plan and estimate are approved and transferred to the Public Works Department.
