No. 122. Read the following letter from C. J. LYALL, Esq., Under-Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Land-revenue and Settlement,) to the Chief Secretary to the Government of Madras, dated Calcutta, 2nd June 1874, No. 438 :—

With reference to your letter of the 13th instant, No. 597, requesting sanction to a salary-grant, amounting to Rs. 104 per annum, for a channel establishment at Kaniempolliem in the Sattiamangalum Taluq of the Coimbatore District, I am directed to inquire whether the present is an isolated case, or whether, as seems probable, there are not many other similar instances of irrigation channels maintained, the establishment on which cannot be paid for from the Village Service Cess; if the latter is the case, I am to inquire how such charges are ordinarily debited elsewhere, and whether they are generally borne by the cultivators.

2. I am to add that the precise nature of the case is not exactly understood, and that His Excellency the Governor-General in Council would be glad of a full explanation of the matter.
