Proceedings of the Madras Government, Revenue Department,
16th January 1874.

No. 138. Read the following letter from H. WAPSHARE, Esq., Attorney for J. OUCHTERLONY, Esq., to the Hon. W. HUDLESTON, Chief Secretary to the Government of Fort St. George, dated Ouchterlony Valley, 2nd January 1874:—

HAVING been informed that recent orders have been issued for a survey of the mountain boundaries under Mr. Ouchterlony's grants from the Nellumboor Tiroopad, I have the honour to request that I may be furnished with a copy of those orders; also with a copy of the Order of Government of 9th August 1872, alluded to in paragraph 1 of the Proceedings of 28th September 1872, as these appear to be the only orders on the subject.

2. As I do not feel myself competent to address Government on the question of these boundaries, and as I am aware that Mr. Ouchterlony would desire to make an appeal to the Secretary of State, if it should be sought to restrict him in any material degree within what have hitherto considered as his limits, and to a certain extent officially recognized as such, I would respectfully request that the survey may be suspended till the appeal to the Secretary of State can be made.

No. 139. ORDER THEREON, 16th January 1874, No. 72.

Miscellaneous.

It is not clear what is meant by "mountain boundaries", but presuming that this is another name for the eastern

boundary of the Ouchterlony Valley, the Government observe that their orders on this subject were communicated to Mr. Wapshare with G. O., 17th August 1872, and that the only recent order on the subject is G. O., 4th October 1873, of which a copy is now forwarded for Mr. Wapshare's information.
