No. 135. Read the following despatch from the Right Honourable the Secretary of State for India:—

Revenue,  
No. 9.

INDIA OFFICE, LONDON,  
7th May 1874.

MY LORD,—The despatch of your Excellency in Council, dated 24th February, No. 3 of 1874, relative to the allotment of waste lands in the Tenkarei Taluq of the Tinnevely District, has been considered by me in Council.

2. The orders issued by your Excellency in Council on this somewhat difficult subject appear to me judicious, and they have my approval. Should, however, the villagers express any dissatisfaction, I desire that their representations may receive careful and indulgent attention.

3. I am inclined to think it would have been better if, before disposing of this subject, your Lordship in Council had called for the separate Minute of the Second Member of the Board of Revenue, who appears to have, in some degree, dissented from the conclusions of his colleagues. The decision of your Government, however, appears to me to have been so carefully considered that I have no hesitation in expressing my concurrence in it.

I have, etc.,

2. Referring to paragraph 3, it is observed that the Minute of the Second Member of the Board of Revenue therein adverted to was called for by the Government (as is usual in such cases) prior to the issue of the G. O. of 23rd January above quoted.
