Proceedings of the Madras Government, Revenue Department,

15th June 1874.

No. 139. Read the following letter from D. BARBOUR, Esq., Under-Secretary to the Government of India, Financial Department, to the Secretary to the Government of Madras, dated Fort William, 30th May 1874, No. 3,331:—

I AM directed to state that, in the opinion of the Governor-General in Council, all the Public Works expenditure connected with the Imperial Customs Line, as well as all the expenditure upon the Salt Department, whether in the Public Works Department or any other department, including petty construction and repairs, should be treated as Imperial charges. But before finally deciding on the matter, His Excellency in Council desires me to request that, with the permission of His Excellency the Governor in Council, you will be good enough to report whether there is any objection to the charges in question, which are now borne by the Provincial revenues being re-transferred to the Imperial estimates, the necessary reduction being, at the same time, made in the Provincial assignments.

No. 140. ORDER THEREON, 15th June 1874, No. 736.

REFERRED to the Board of Revenue
for their opinion.
