*Proceedings of the Madras Government, Revenue Department,
17th June 1874.*

No. 149A. Read the following letter from Lieutenant-Colonel W. H. HESSEY, Acting Superintendent of Revenue Survey, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Chepauk, 3rd June 1874, No. 1,401/42 :—

IN paragraph 2 of G. O., No. 600, of 15th May 1874, Revenue Department, the Superintendent of Survey was called on to report what action had been taken with reference to paragraph 3 of Mr. Lyall's letter, recorded in G. O. of 4th March last, No. 305, R. D. Mr. Lyall, in the paragraph referred to, had stated that the Government of India would be glad to be supplied with a copy of all maps published of portions of country not smaller than whole districts, or, say, 1,000 square miles, and that another copy of each map might with advantage be supplied to the Surveyor-General's Office.

2. I have the honour to state that as yet no maps have been sent as directed above.

3. The Superintendent has, however, been using his utmost endeavours to complete maps of several districts.

4. The Government have, within the last few months, been pleased to allow of the presence of an additional officer in this Office for the purpose of working up geographical materials. The progress already made is very considerable.

5. The Superintendent is absent on leave. If the Government will allow me, I will defer the despatch of any maps till the return of the Superintendent at the close of August, when the maps of two complete districts and of parts of other districts containing many thousand square miles will be ready for delivery.
