Proceedings of the Madras Government, Revenue Department,
18th June 1374.

No. 169. Read the following Circular from the Government of India, Financial Department, (Accounts,) dated Fort William, 30th May 1874, No. 3,433:—

PARAGRAPH 3 of the Circular in this department, No. 2,435, dated 15th November 1871, directed that each description of stores imported on account of Government should be shown as distinct items under the heading "Government Stores" in the returns of trade, free of duty, thenceforth to be submitted by each local Government to the Government of India.

2. In supersession of that order, His Excellency the Governor-General in Council is pleased to direct that in the monthly and annual returns of trade from 1st April 1874 the several kinds of Government stores and of Government treasure imported or exported shall be included in the totals of the same kind of goods and of treasure imported or exported on private account, in other words, shall be lumped with the latter under the respective headings to which such goods, whether dutiable or free, would appertain, under the existing tariff classification of articles, if they had been imported or exported on other than Government account.

3. At the same time, however, there should be inserted in the annual volume, and should be attached to the monthly trade returns, in the form annexed, a detailed statement of the quantities (so far as quantities can be stated) and the value of Government stores imported or exported.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 8th June 1874.

Read the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Masulipatam, 6th May 1874, No. 766 :—

WITH reference to Board's Miscellaneous Proceedings, No. 2,672, dated 22nd April 1874, I have the honour to report that the amount of reduction recommended, viz., Rupees 121-6-2, is, as the Board surmise, the Government assessment that would be chargeable on the land were it Seri: It has been calculated according to the average dry rate, *plus* water-tax, that has been settled for similar land in the adjacent Government village of Daggumalli.

2. It is always the rate on similar Government lands that is taken in calculating the value of lands taken up in Zemindari tracts.

SUBMITTED to Government with reference to their Order, dated 13th April 1874, No. 440.

2. The Board consider that the reduction should be only Rupees 119-2-9.
