Proceedings of the Madras Government, Revenue Department,
19th June 1874.

No. 175. Read the following Proceedings of the Board of Revenue, dated 8th June 1874, No. 1,383 :—

Read the following letter from C. RUNDALL, Esq., Deputy-Director of Revenue Settlement, Nellore & North Arcot, to H. E. SULLIVAN, Esq., Officiating Director of Revenue Settlement, dated Chittoor, 28th April 1874, No. 347-94 :—

By the remission of the gross increase on each putta by the new settlement in conformity with G. O., No. 806, of 22nd August, I estimated that the decrease of assessment in the principal division taluqs of Nellore on puttas that might be less by the new settlement than the old rates would amount to Rupees 90,000, *vide* correspondence printed with G. O., No. 1,305, of 26th November last. I have just received the actual figures for the last taluq (Atmakur) operated upon, and find the reduction of the previous assessment will actually reach Rupees 1,02,811, and have the honour to annex below taluqwar details :—

Talaqs.	Amount of decrease on Puttas in areas where the new Assessment may be less than the old.
	Rs.
Nellore	19,297
Gudur	30,013
Rapur	12,961
Kavali	11,687
Udayagiri	6,999
Atmakur	21,854
Total...	1,02,811

2. There will, of course, be some fluctuations by the present Jamabandi owing to land relinquished, but as much land that has had the assessment reduced is not likely to be given up, the actual reduction that may result by the present Jamabandi will not vary much from the foregoing amount (Rupees 1,02,811).
