Proceedings of the Madras Government, Revenue Department,
23rd June 1874.

No. 188. Read the following Proceedings of the Board of Revenue, dated 18th April 1874, Miscellaneous No. 2,592:—

Read the following papers:—

From H. W. BLISS, Esq., Acting Collector of Madura, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 15th November 1873, No. 355.

I HAVE the honour to forward a Statement (A) of compensation for Inam lands taken up for railway purposes, and a List (B) showing the deductions to be made in the peishcush of the Zemindaris through which the railway line passes.

2. The enfranchised Inam lands taken up, for which compensation has been given in cash, are not entered in Statement A.

	Extent.	Assessment.
	Acres.	Rs. A. P.
Inam	124·62	283 13 9
Ais lands in Zemindaris ...	221·17	349 14 0
Inam ... do. ...	31·57	42 10 9
	377·36	676 5 6

3. The extent of lands taken up and entered in Statements A and B is acres 377·36, assessed at Rs. 676-5-6, as shown in the margin.

4. In lieu of these lands the following compensation is proposed:—

	Rs. A. P.
(1.) A fresh assignment of acres 104·81, assessed at Rs. 237-0-7, subject to an additional quit-rent of	37 15 7
(2.) A reduction of quit-rent by	112 12 11
(3.) A reduction of peishcush payable by Zemindars as per list of	377 6 6

5. Money-compensation for Inam lands taken up in Dindigul Taluq having been fixed on a consideration of their value *as Inams* and paid accordingly, the proportionate amount of quit-rent is proposed to be remitted from the Inamdar's putta.

6. In Madura and Tirumangalam Taluqs a different system was adopted, and Inam lands have been paid for at the same rates as ordinary ryotwary lands of the same class. The difference between the full assessment of such lands and the quit-rent imposed on them has, therefore, been deducted from the quit-rent fixed for the whole Inam to prevent the Inamdar being a loser.

7. The usual annual Statement (C), showing Inams which have become unprofitable from some act of Government, or from causes beyond the Inamdar's control, and for which compensation has to be given, also accompanies and requires sanction.

8. All these arrangements for the grant of fresh lands in lieu of Inams were made and agreed to by the parties before the receipt of Board's Circular Memorandum, No. 1,627, dated the 17th October 1873, the instructions as to the grant of equal portions of land contained in the first paragraph of which cannot, therefore, now be complied with in all cases. They will be attended to in future.

From W. McQUHAE, Esq., Collector of Madura, to J. GROSE, Esq., Secretary to the Board of Revenue, Madras, dated Kodaikanal, 23rd February 1874, No. 45.

WITH reference to the Board's Official Memorandum, dated 7th February 1874, No. 1·d, I have the honour to state that the proposed reductions are quit-rents to be remitted by the Inamdars on the portion of their lands taken for the railway. The quit-rent on the entire Inam being one-eighth of the whole assessment in each case, the proportionate amount of quit-rent due on the assessment of the portion lost to the Inamdar is proposed to be deducted.

2. Adverting to paragraph 2, I beg to state that Rs. 0-7-4 has been deducted from the peishcush of the Ammainaikanur Zemindari under the order of Government, dated 14th October 1873, No. 1,105, and communicated by the Board in their Proceedings, dated 24th October 1873, Miscellaneous No. 7,145. Hence the difference.

In lieu of the lands taken up for railway purposes and entered in Statement A, the Board sanction the assignment of fresh lands of nearly 104·81, bearing an assessment of Rs. 237-0-7, subject to an additional quit-rent of Rs. 37-15-7, and reduction of quit-rent of Rs. 112-12-11, as proposed by the Collector.

2. *Statement C.*—Sanction is also accorded to the grant of Rs. 2-0-7 in lieu of Inam lands in Case No. for the assignment of land (acres 1·81, assessed at Rs. 2-0-7) in lieu of Inam lands in Case Nos. 2 and 2* of acres 1·89, assessed at Rs. 2-0-8, taken up for roads. But as regards Cases Nos. 2 and 2* the Collector is requested to report why and from what causes the lands have become liable to assessment, whether the tank was enlarged, and if so, when.

3. *Statement B.*—The sanction of Government will be solicited for the reduction of the peishcush proposed in the Zemindaris mention below, amounting to Rupees 377-6-6.
