ORDER THEREON, 23rd June 1874, No. 772.

Miscellaneous.

CONFIRMED.

2. It appears from the Tabular Statement on which the Orders of Government, dated 20th November 1836, were passed that the reduced pension of Rs. 263-7-2 sanctioned by Extract from Minutes of Consultation, 25th January 1836, No. 88, was continued to the *mother* and two widows of Challa Venkatapathy Naidu.

3. The demise of both widows has been reported, but no mention has been made in the present Proceedings of the share received by the *mother*. It is observed from the tables appended to this tabular report, and that recorded in Board's Proceedings, dated 13th July 1865, No. 3,943, that one Yerrauma, second widow of Pedda Boochee Naidoo, is stated to have died, but it is not clear whether this person is the *mother* alluded to above, or if so, what has become of her share of the pension.

*Proceedings of the Madras Government, Revenue Department,
23rd June 1874.*

No. 214. Read the following letter from Lieutenant-Colonel W. H. HESSEY, Acting Superintendent of Revenue Survey, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Chepauk, 3rd June 1874, No. 1,402/43:—

In paragraph 20 of the despatch, No. 311, of 31st August 1863, the Secretary of State for India, referring to the expensive rates of living in Presidency and to the recommendation by the Committee of Secretaries, that the principle of allowing house-rent should be generally adopted, approved a scale of house-rent, and made it applicable to all officers at each Presidency not drawing consolidated pay.

2. Based on the above, house-rent bills for Captains Cloete and Freeth, to the former at Rs. 135 per mensem from 17th July 1873 to 6th February 1874, and to the latter at Rs. 75 per mensem from and after 28th November 1873, were submitted to the Board of Revenue by the Superintendent of Revenue Survey. The bills were returned unaudited for want of special sanction of Government. The Board have objected that the officers for whom house-rent is charged draw fixed tentage at the rate of Rs. 75 per mensem.

3. Both Captains Cloete and Freeth were employed at the Central Survey
4th July 1873, No. 659, expense was incurred by the arrangement.
20th Sept. " " 1,016. See orders of Government named in the
20th Dec. " " 1,463. margin.
16th Jan. 1874, " 66.

4. The Government have directed that the fixed tentage alluded to by the Board is "to cover all camp expenses." I G. O., No. 682, of 29th April 1872. respectfully submit that, as Captains Cloete and Freeth are required to maintain their camp equipage ready for field service, the receipt of fixed tentage does not bar their claim to house-rent. G. O., No. 2,636, of 27th October 1865.

5. I have been directed by the Superintendent, Colonel Priestley, now on leave, to request that the rules regarding Presidency house-rent may be declared applicable to the Revenue Survey Department.

6. The additional expenditure can be met by savings from the budget.

No. 215. ORDER THEREON, 23rd June 1874, No. 773.

Miscellaneous.

The Government are not prepared to declare the rule referred to to be applicable to the Survey Department. The pay of the different grades was fixed without any intention of adding this allowance.
