*Proceedings of the Madras Government, Revenue Department,
26th June 1874.*

No. 248. Read the following Proceedings of the Board of Revenue, dated 16th June 1874, No. 1,475:—

Read the following letter from W. S. FOSTER, Esq., Acting Collector of the Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 8th June 1874, No. 170:—

I HAVE the honour to report that a fire broke out in the town of Cocanada on Saturday, the 30th ultimo, and ninety-six houses have been burnt. The villagers have valued the property damaged, including houses, at Rupees 11,420, but from the inquiries I have personally made, I find that the amount has been very much exaggerated. I do not think that the Government need aid the people.

2. The merchants of the town are raising private subscriptions, and it has been arranged between them to assist the persons that have suffered by the fire, in cases in which the assistance is needed.

3. No human life has been lost on the occasion.
