GOVERNMENT OF MADRAS

Revenue DEPARTMENT

G.O. No.	794	Press
B.P. No.		Mis.

Dated 27th June 196 1874

Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department,
27th June 1874.

No. 263. Read the following letter from R. W. LODWICK, Esq., Accountant-General, Madras, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Fort St. George, 12th June 1874, No. 31.

With reference to G. O., Revenue Department, No. 654, dated 29th ultimo, I have the honor to state that I have dismissed the volunteers from the Stamping Department of my office, as directed; and have now to submit my proposals with respect to an increase to the regular establishment, accompanied by a statement containing full particulars of the number of hands already employed, and the work performed by each man in the department.

2. I beg to premise that in the majority of cases, the work of the department can be pushed on without serious delay if all the men mentioned in the accompanying memorandum were in attendance; and it is only against the contingency of some of them absenting themselves that the provision now solicited has to be made.

3. On referring to the accompanying memorandum, it will be observed that the greater part of the establishment consists of Pressmen and Feeders. Considering the importance of their duties in the outturn of work in the department, it is hardly necessary for me to explain to Government, how the absence of any of them will tell considerably on the progress of work. The greater number of absentees generally fall under these two classes of workmen, and their average number has been ascertained to be a little above three per diem during the last three months. Under these circumstances, I am constrained to apply for an additional Pressman and a Feeder, the first on 8, and the second on 6 Rupees per mensem.

4. I beg to add that there are only two "Examiners" attached at present to the department; and when (as is often the case) work gets heavy, they have been observed to be too few to examine the "impressions" with efficiency. I beg, therefore, that Government will be pleased to allow another Examiner on 10 Rupees per mensem.

5. As explained in paragraph 6 of my letter to Government, embodied in their Proceedings, No. 510, dated 28th April last, the services of the two Collahs now on the establishment are almost entirely required at the doorways of the stamping and necessary rooms in the office, and it is with no small inconvenience that one of them can be spared to accompany the bonded conveying stamped papers to the Superintendent's office. This, added to the circumstance that there is no peon attached to the department, necessitates my request for another Collah on 8 Rupees per mensem.

6. The result will be seen that the increase of establishment now solicited entails an additional cost of 31 Rupees per mensem.

Fort St. George, Consultation, 27th June 1874, No. 709.

Separate Revenue No. 10E.

Stamps.

Application will accordingly be made to the Government of India.

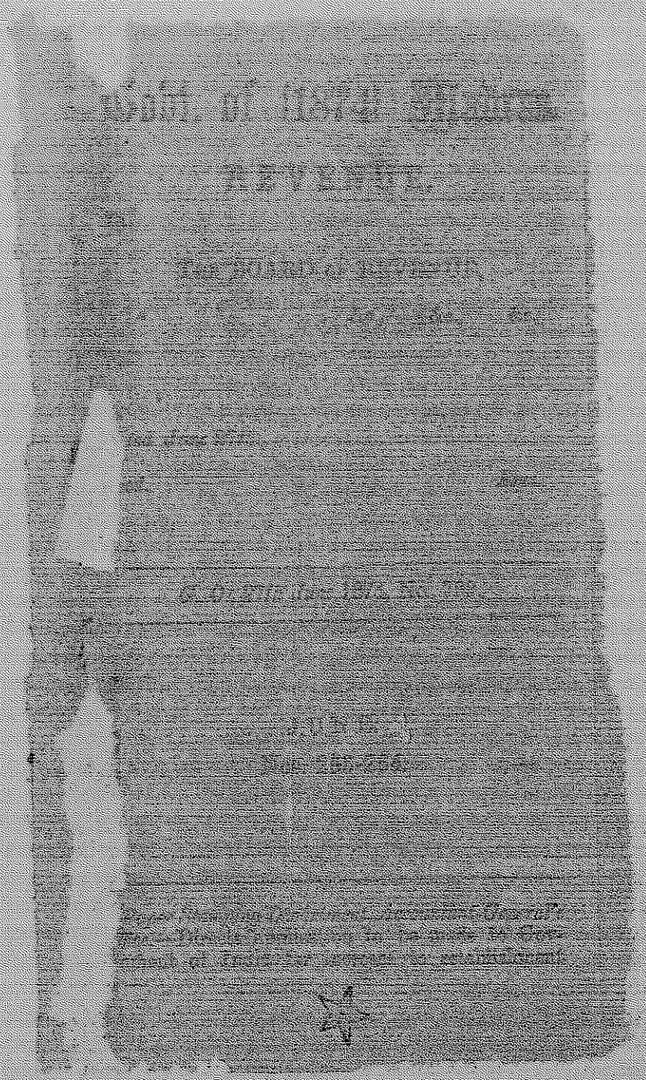

(True Extract.)

(Signed) C. G. MASTER,
Acting Secretary to Government.

To the Board of Revenue,
the Accountant-General.
