No. 272. Read the following Proceedings of the Board of Revenue, dated 10th June 1874, No. 1,418 :—

Read the following letter from the Hon. D. ARBUTHNOTT, Collector of Tanjore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Muttupettah, 9th May 1874, No. 115 :—

With reference to the Proceedings of the Board, dated 22nd April 1874, Miscellaneous No. 2,670, I have the honour to report that the retention of the present buildings used as the Sub-Collector's Cutcherry at Negapatam is necessary.

2. The District Engineer, at the request of the Inspecting Engineer for Buildings, desired to know whether any out-buildings were required for the new Cutcherry, and suggested that a ryot's shed similar to those built at the new Taluq Cutcherries should be constructed, with slight alterations, but I considered that the present buildings, if maintained, would quite answer the purpose, and that the construction of a new building was unnecessary.

3. The buildings are very small, and one of them would serve as a store and a retiring room for the Clerks of the Sub-Collector's Office, and the other a waiting room for Vakeels and ryots; they can be maintained in good repair at a slight cost, all that is needed being that they should be occasionally white washed and kept in order. The estimate for the repairs (Rupees 600) might perhaps be considerably reduced.

4. If the buildings were sold I do not think very much can be got for the materials, and in that case a new ryot's shed will have to be constructed, with three of its sides walled up.

SUBMITTED for the information and orders of Government, with reference to their Order, dated 1st April 1874, No. 431.

2. The Board agree with the Collectors, that the buildings which are to be superseded by the new Sub-Collector's Office at Negapatam, should be retained.

No. 273. ORDER THEREON, 27th June 1874, No. 804.

Miscellaneous.

THE Board offer no opinion on the plans and estimates for the new building, and the papers will be sent back to them. They will consider what alterations and additions are necessary, with reference to the Proceedings of Government, dated 2nd June 1874, regarding the Sub-Collector's Office at Gooty.
