REVENUE DEPARTMENT,
OOTACAMUND,
27th June 1874.

No. 66.

No. 276.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF REVENUE,
AGRICULTURE, AND COMMERCE,
(FORESTS.)

Forests, No. 13.

SIR,—With reference to your Under-Secretary's letter, dated 10th March 1874, No. 257, I am directed to forward herewith the revised Budget-estimate of the Forest Department for 1874-75, showing the re-distribution of the sanctioned amount of Rs. 4,00,000 under the several sub-heads.

2. Provision has been made for the improvement of the raft-channel of the Cauvery river alluded to in paragraph 2 of the letter under reference.

3. But I am to express a strong hope that this latter charge may be met by a supplemental grant. The original estimates submitted by the Conservators of Forests were reduced by the Board of Revenue by nearly Rs. 60,000; the estimate finally sanctioned by this Government, *viz.*, Rs. 4,20,000, has been summarily reduced by Rs. 20,000 by the Supreme Government, and if this further virtual reduction of Rs. 7,750 for the Cauvery works be insisted on, the money can only be provided by retrenchments, which will seriously affect the efficient working of the department and curtail its productiveness in the future.

The Actuals of 1872-73 were Rs 4,78,147.

4. The reasons for the reduction of the Budget of this Government have never been communicated.

I have the honour to be,
Sir,
Your most obedient servant,
(Signed) C. G. MASTER,
Acting Secretary to Government.

Egd. F. E. Bentleman.
