No. 24. Read the following letter from R. W. LODWICK, Esq., Accountant-General, Madras, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Fort St. George, 23rd June 1874, No. 144 :—

I HAVE the honor to report, with reference to the G. O., Revenue Department, No. 676, dated 2nd July last, that bills on the Yercaud treasury were granted during the past twelve months to the extent of Rs. 1,12,745-5-1 as per margin, on which a premium of Rs. 352-5-2 was realized, or an average of Rs. 29-5-9 per month. It will thus be seen that the premium realized falls considerably below the cost of keeping up the treasury, *viz.*, Rs. 43-8-0 per mensem; but there is, I believe, no doubt that its maintenance is a great convenience to the public. Under these circumstances, I request that you will obtain the orders of Government as to whether the treasury is to be continued at Yercaud or not.
