*Proceedings of the Madras Government, Revenue Department,  
6th July 1874.*

No. 32. Read the following Proceedings of the Board of Revenue, dated 26th June 1874, No. 1,611:—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Kome-tichavadi, 8th June 1874, No. 273.

With reference to the Board's Proceedings of the 29th ultimo, I have the honor to state that only two Overseers came down from Madras, and that they, with the extra one appointed here, have all been placed under the orders of the District Engineer since the necessity for relief works ceased, and are being employed by him to repair the damage to roads caused by the late flood in the Ponnai.

2. The Board's suggestions conveyed in the above Proceedings will be communicated to the District Engineer, and in the event of the Overseers being employed on irrigation repairs, their salaries will, I presume, so long as they are so employed, be a charge on Imperial Funds.

3. I shall be glad to receive instructions on this point.

SUBMITTED to Government with reference to G. O., dated 8th June 1874, No. 704, paragraph 3.

2. The Overseers will no doubt be paid from Imperial Funds whilst they are engaged on irrigation repairs.
